

Happy Mother's Day
Music by Matt Glickstein
Lyrics by Brooke Belista

Chorus

Wake up, Mom, it's me, can't you see?
I just wanted to say, "Happy Mother's Day!"

Verse

I had too many ideas,
Didn't know what to choose
So I did them all just for you!

Chorus

Verse

You do so much for me
Washing my stinky laundry
This is a thank you from me

Bridge

I may drive you nuts once in a while
But in the end we laugh and we smile

Chorus (2 times)

I have more to say, but it might drive you crazy
So all that's left is Happy Mother's Day!
