

One World

Bm Gmaj7
Take one look around
A D A
our small island town
Bm F#m
there's not much to see
G A
but a long history
Bm Gmaj7
The smell of fresh pineapple
A D A
still in the air
Bm
But change happens
Gmaj7 Asus A
Everywhere

Bm Gmaj7
Honor the past
A D A
And take one step ahead
Bm F#m
The plantation is gone
G A
But the stories live on
Bm Gmaj7
Children's laughter
A D A
Dancing through pines
Bm Gmaj7 Asus A
Our future is in their lives

G D
We've got one world

And one chance to live

We've got one world,

with so much to give

Now let's all join together
D/A E7
hand in hand
G Em7
Everyone must understand
A D
There's only one world

Bm Gmaj7 Asus A
Bm Gmaj7
Respect each other
A D A
our home, and our land
Bm F#m
A community strong,
G A
all generations belong
Bm Gmaj7
Nations of colors
A D A
and cultures combine
Bm Gmaj7 Asus A
Let's represent with pride

Chorus:

G D
We've got one world
A D
And one chance to live
G D
We've got one world,
G A
with so much to give
Bm F#/A#
Now let's all join together
D/A E7
hand in hand
G Em7
Everyone must understand
A D
There's only one world

Bridge:

We must make each person aware
